The Chico State Intelligent Systems Lab (ISL) has developed a week long, interactive Summer Robotics Camp to provide girls going into the 8th grade with the unique opportunity to learn more about science and math. This camp is designed to introduce these young women to the fields of Computer Science, Engineering, and Mechatronics through their learning, experimentation, building and use of robots. Daily activities and lessons allow participants to work as a member of a team in the lab where they will learn more about the science of robotics and eventually design and build their own robot.

QUALIFICATIONS:
- Applicants must be females going into the 8th grade.
- Applicants must be able and willing to participate in camp from June 13th through June 17th, 9:00am to 3:00pm daily.
- Applicants must be willing to take on and apply themselves to intellectual challenges.

DATES:
Monday, June 13th, 2005 through Friday, June 17th, 2005 from 9:00am to 3:00pm daily.

LOCATION:
California State University, Chico campus. Participants will meet in front of the O’Connell Technology Center, located on the corner of Warner and West 1st Street. We will proceed to the classroom in OCNL 124.

COST:
This program is FREE to all participants. Snacks are provided daily, but participants are expected to bring their own sack lunches.

TRANSPORTATION:
Participating students of the Summer Robotics Camp must be responsible for their own transportation to and from CSU, Chico. The ISL or any of its employees cannot provide transportation. Participants must be picked up daily by a parent or designated adult.

DEADLINE:
Applications for Summer Camp 2005 received by April 30th will receive highest consideration. Open slots remaining will be filled by applicants submitting applications no later than May 20th. Notification of acceptance will go out beginning May 6th, and no later than May 27th, 2005.

CONTACT INFO:
The Chico State Intelligent Systems Lab welcomes any questions or concerns about our Summer Robotics Camp. Please contact our ISL Summer Camp Director, Dr. Renner at 530 898-5419 (or Renner@csuchico.edu), or visit the ISL website at http://www.gotbots.org

The Chico State Intelligent Systems Laboratory (ISL) is funded in part by a grant from the National Science Foundation Grant # 0321385, Acquisition of robotics equipment for an Intelligent Systems Laboratory.
PART 1: GENERAL INFORMATION

Name: ___________________________  ___________________________  ___________________________
   Last Name    First Name    M.I.

Mailing Address: ___________________________  ___________________________
   Number and Street  Apartment Number

City: ___________________________  Zip Code: ___________________________

Phone: ___-___-______  Gender: [ ] F  [ ] M  Current Grade: ______

PART 2: SHORT ANSWER RESPONSES

Describe three qualities or characteristics about yourself that make you an ideal candidate for participation in the Summer Robotics Camp.

What skills, abilities, or knowledge do you wish to gain from your participation in the Summer Robotics Camp?

What subjects and fields interest you? What do you think you might do after High School?

In three sentences or less, tell us why you want to learn about robots.
PART 3: STUDENT AGREEMENT - To be completed by applicant

I agree to participate in the ISL Summer Robotics Camp at CSU, Chico from Monday, June 13, 2005 through Friday, June 17, 2005 from 9:00am to 3:00pm daily. I will attend and actively participate in all scheduled activities such as classes, workshops, laboratories, and recreational activities. I will abide by the rules and regulations of the Summer Robotics Camp and California State University, Chico. I understand that my failure to abide by these rules or any behavior problems will result in my immediate dismissal from the program.

Applicant Signature                           Date

PART 4: PARENT CONSENT, AGREEMENT - To be completed by a parent/guardian

As the parent/guardian of ____________________________________________, I certify, with my signature below, that my daughter has my consent to participate in the ISL Summer Robotics Camp at CSU, Chico.

I understand and agree that:

1. The Summer Robotics Camp will be held at California State University, Chico, from Monday, June 13, 2005 through Friday, June 17, 2005 from 9:00am to 3:00pm.
2. I am responsible for prompt drop-off and pick-up of my daughter from the Summer Robotics Camp daily. The ISL or its staff cannot provide transportation to participants of the program.
3. If I am unable to pick-up my daughter, I will notify the camp Director in advance of my authorized designee. I understand that my daughter will not be allowed to leave the Summer Robotics Camp with a designee unless I have completed an authorization form and submitted it to the camp coordinator beforehand.
4. The Summer Robotics Camp is a free program. Snacks will be provided, but participants are responsible for bringing their own sack lunch daily.
5. Participants are expected to attend and actively participate in all scheduled activities.
6. Participants will be supervised in the lab by trained adult staff and program officials.
7. Directors will dismiss a participant from the program for failing to abide by university or program rules and regulations or for any behavior problems. In the event of dismissal, the parent/guardian agrees to pick-up the participant as soon as contacted.
8. Program staff will not be responsible for administering over-the-counter or doctor-prescribed medication to participants.
9. I will be responsible for any ISL items being lost, stolen or damaged due to my daughter’s negligence.
10. The ISL Summer Robotics Camp and California State University, Chico are not responsible for any of my daughter’s items being lost, stolen, or damaged.
11. The ISL may use pictures taken of my daughter participating in Summer Robotics Camp activities for ISL website content and CSUC promotional purposes.
12. The ISL Summer Robotics Camp, California State University, Chico, staff and owners of properties used for the program activities shall not be held responsible for injuries to my daughter during the period of enrollment in the program.

PART 5: AUTHORIZATION TO TREAT A MINOR

- To be completed by a parent/guardian

In the event that my daughter becomes ill or sustains an injury while in the care or under the supervision of the ISL Summer Robotics Camp, the adult supervisors of the activity are given my permission to administer first aid for her relief. If it is not practical to return her to me or receive my instructions for her care:

I, the undersigned parent or legal guardian of the aforementioned student, a minor, do hereby authorize and consent to any X-ray examination, anesthetic, medical or surgical diagnosis or treatment, and emergency hospital care, which is deemed advisable by and if rendered under the general or special supervision of any member of the medical staff and emergency room staff licensed under the provisions of the Medicine Practice Act and on the staff of any acute general hospital holding a current license to operate a hospital from the State of California Department of Health. It is understood that effort shall be made to contact the undersigned prior to rendering treatment to the patient, but that any of the above treatment will not be withheld if the undersigned cannot be reached. This authorization is given pursuant to provisions of Section 25.8 of the Civil Code of California.

I further agree not to hold the ISL Summer Robotics Camp liable for the medical aid rendered and will reimburse the ISL Summer Robotics Camp for any medical or other expenses incurred in the care of my daughter.

☐ Yes ☐ No  My child has physical or medical condition/needs of which the program staff should be aware of that can restrict her participation in certain types of activities.
If yes, please describe: ________________________________________________________________

☐ Yes ☐ No  My child takes medication regularly.
If yes, please describe: ________________________________________________________________

☐ Yes ☐ No  My child is allergic to some medications.
If yes, please describe: ________________________________________________________________

☐ Yes ☐ No  My child has special food restrictions or preferences (i.e. Allergies, vegetarianism, religious prohibitions, etc.)?
If yes, please describe: ________________________________________________________________

PART 6: STUDENT SURVEY

- To be completed by applicant

The following information will be important for program officials to know in the event that you are selected. The information that you provide will not affect the evaluation of your application. Please provide honest responses.

What is your preferred adult, unisex, T-shirt size?  
- XS  - S  - M  - L  - XL

What is your women's scoop neck shirt size?  
- XS  - S  - M  - L  - XL

How would you rate your level of computer skills?  
- None  - Novice  - Intermediate  - Advanced

How would you rate your level of robotic knowledge?  
- None  - Novice  - Intermediate  - Advanced

What type of music do you enjoy listening to?  
------------------------------------------  
------------------------------------------

PART 7: RECOMMENDATION

- To be completed by a parent/guardian

Enclosed please find a recommendation form to be completed by a teacher or counselor. Applicants will need to fill out the top portion of the form. Include your completed recommendation form in its sealed envelope with this application.

COMPLETED APPLICATION

- To be completed by a parent/guardian

A completed application must include the following:

- A completed application form
- A completed recommendation form

All parts of this application must be completed and mailed together or the application will be considered incomplete. Incomplete or late applications will not be processed. All information provided will remain confidential.

Mail completed application to:  
Dr. R.S. Renner, Director  
ISL Summer Robotics Camp  
Department of Computer Science  
California State University, Chico  
Chico, CA 95929-0410

Completed applications must be received by  
Saturday, April 30th, 2005 (priority consideration)  
Friday, May 20th, 2005 (final deadline)
Chico State Intelligent Systems Lab
Summer Robotics Camp 2005

Recommendation Form

PART A: APPLICANT IDENTIFICATION - To be completed by applicant

Applicant's Name: _______________________________ Phone: __________________

PART B: RECOMMENDATION / COMMENTS - To be completed by a teacher or counselor

The person whose name appears above has applied for admission to the Summer Robotics Camp at CSU, Chico. The selection committee would appreciate your completion of the questions below in a specific and candid manner. Please make no assumptions about selection criteria. If your relationship with the applicant does not allow you to make an evaluation of any particular item, please indicate “N/A.”

Name: _______________________________ Position: __________________

School: __________________ Phone: __________________

How long have you known the applicant? _______ Years _______ Months
