Snack Donations Program

The Chico State Intelligent Systems Lab (ISL) has developed a week long, interactive Summer Robotics Camp to provide girls entering the 7th through 9th grades with the unique opportunity to learn more about science and math. This camp is designed to introduce these young women to the fields of Computer Science, Engineering, and Mechatronics through their learning, experimentation, building and use of robots. In order to keep the Summer Robotics Camp free for participants, the ISL is looking for organizations or corporations willing to provide snacks and/or drinks during the week of the camp. We anticipate having 30 participants and 10 staff members.

DATES:

The ISL Summer Robotics Camp is scheduled for Monday, June 12th, 2006 through Friday, June 16th, 2006, from 9:00am to 3:00pm daily. Snacks will be served twice a day – once at 10:30 a.m. and again at 2:30 p.m. Drinks will be provided with the snacks and during lunch.

LOCATION:

Snacks will be served in the O'Connell Technology Center (OCNL) Building, Room 124, of the California State University, Chico campus.

PROCEDURE:

- If you, your organization, or your corporation is/are interested in sponsoring the Chico State Intelligent Systems Lab (ISL) Summer Robotics Camp by providing snacks and/or drinks, you must complete the attached Snack Donation Form.
- Completed Snack Donation Forms should be mailed to the indicated address by the given deadline (see below). Arrangements for pick-up or delivery of donated snacks and/or drinks will be made on or before May 19th, 2006.
- Snack donors will be listed as ISL Summer Robotics Camp sponsors on the ISL website.

DEADLINE: * EXTENDED TO FRIDAY, JUNE 9 *****

Completed Snack Donation Forms should be received by May 12th, 2006.
